PROFESSIONAL EXPERIENCE

Ministerio de Comercio Exterior y Turismo (MINCETUR)

External Consultant – Directorate of Multilateral Affairs

Lima, Peru | Jun 2025 – Present

- Manages official communications and documentation for Peru's participation in APEC's Committee on Trade and Investment (CTI) working groups.
- Coordinates policy inputs from public agencies and private stakeholders to support Peru's negotiating positions across CTI subforums.
- Provides procedural support throughout the APEC cooperation project cycle, including proposal review, compliance tracking, and commitment monitoring.

Universidad del Pacífico – Research Center

Research Assistant

Lima, Peru | May 2024 – Dec 2024

- Conducted systematic literature reviews and bibliometric analysis on innovation, sustainability, and SMEs for applied research projects.
- Contributed to qualitative data collection through in-depth interviews and structured review of academic and technical sources.

Síntesis Consultoría

Policy Analyst

Lima, Peru | Aug 2022 – Jan 2023

- Produced weekly political, regulatory, and economic situation reports for corporate clients across the telecoms, energy, pharma, and consumer goods sectors.
- Prepared monthly political risk briefings and stakeholder profiles for senior decision-makers.
- Mapped actors with influence over regulatory and legislative processes; maintained a legislative monitoring database covering four sectors.

Ministerio de Vivienda, Construcción y Saneamiento

Professional Intern – Directorate of Construction and Sanitation Programs

Lima, Peru | Jun 2021 – Dec 2021

- Monitored contractual execution of public-private partnership (PPP) infrastructure contracts.
- Drafted legal reports, meeting minutes, and terms of reference for infrastructure projects.
- Coordinated legal discussions between technical and legal units across public and private entities involved in PPP projects.

Estudio Muñiz

Pre-professional Intern – Infrastructure and PPP Practice

Lima, Peru | Oct 2018 – Oct 2019

- Supported legal advisory on public and private infrastructure projects.
- Drafted administrative, judicial, and arbitration briefs; developed regulatory and contractual risk matrices.
